

REMARKS

Claims 61-133 are pending in this application. In the Office Action dated September 22, 2004, the Examiner took the following action: (1) rejected claims 61-133 for obviousness-type double patenting as being unpatentable over claims 1-60 of U.S. Patent No. 6,693,837 to Schaefer et al.

Applicants are filing a terminal disclaimer thereby eliminating the double patenting rejection.

All of the claims remaining in the application, 61-133, are now clearly allowable. Favorable consideration and a timely Notice of Allowance are earnestly solicited.

Respectfully submitted,
DORSEY & WHITNEY LLP
